Please join us Wednesday January 23, 2008 to hear our own Ken Takahashi tell us about coins associated with the famous Japanese warrior class, the Samurai. It is sure to be an interesting presentation that you won't want to miss!

**1100<sup>th</sup> meeting. December 19, 2007 Annual Holiday Banquet**

The date and time of the holiday banquet were moved this year to accommodate those away for the Christmas Holidays. The Gatehouse was a nice alternative, but we are moving back to our normal location on the 2<sup>nd</sup> floor of Building C at Fort Mason for our regular meetings.

As usual, the food brought by members was fantastic and a good time was had by all. The raffle was large and if you were there you would have won something. The Grand Prize, the Granite Lady Proof Silver Dollar, was won by PCNS Fellow, Jerry Schimmel. Congratulations, Jerry!

A new slate of officers was inaugurated for 2008. They are  
Federico Castillo, President

Sandra Whalen, Vice President

Whalen, Treasurer

Herb Miles, Acting Secretary (Herb would like to groom a successor, please consider it. Herb will teach you how to do it!)

Ed Treuting, Governor

Gordon Donnell, Governor

Ken Takahashi, Governor

Michael Wehner, Past President.

As his last official act, President Wehner appointed Daniel Feldman as the PCNS Club Representative to the American Numismatic Association. Daniel is a junior at San Francisco University High School and an accomplished Young Numismatist who has spoken to the club several times (and will again soon!)

### **Future presentations:**

February 2008: Daniel Feldman

March 2008: Federico Castillo

Please contact Michael Wehner at mf\_wehner@yahoo.com or at 415 928 4469 if you would like to make a presentation

### **2008 Dues are now payable!**

\$20 for members, \$5 each additional family member. Please remit to PCNS Box 475656 San Francisco, CA 94147-5656

### **2008 Annual Papers Contest**

The submittal date for the 2008 contest is the April meeting. PCNS members are renowned for their in-depth numismatic knowledge. Please consider sharing that knowledge in the form of a paper for the society! Two papers from 2007 will be carried over into the next PCNS papers publication. The more articles we have, the more feasible a quality publication will be.

PCNS 1000<sup>th</sup> meeting medals. The set includes both a proof silver and an antiqued bronze specimen and is only \$30. A reminder of the Society's long and honorable history.

**The Old Streets of San Francisco, Early Street Names on Some Brass Tokens** by Jerry F. Schimmel. Published by the Pacific Coast Numismatic Society in 1993. 41 pages including many pictures. A must have reference for those interested in western trade tokens or San Francisco history. \$10
